Credit Application

Important Information to Applicant(s). To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who applies for a loan or opens an account.

What this means for you. When you apply for a loan or open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. In some instances, we may use outside sources to confirm the information. The information you provide is protected by our privacy policy and federal law. Read each instruction carefully before completing this form.
